

How to Submit an Entry for the Planet Aid Earth Day Coloring Book Contest

The Planet Aid Scholar's Club is creating an Earth Day Coloring Book and we need help from scholars like you!

1. Draw inspiration from one of our Earth Day themes: Earth, Air, Water, Recycling, Community
2. Draw a picture on a standard 8.5x11 inch sheet of white paper using black ink. DO NOT color in the picture.
3. On a separate piece of paper, write your name, grade, and school. Attach it to your picture (but do not write it on your picture)
4. Have your teacher scan your picture and info to cjones@planetaid.org
5. All entries are due by April 30th
6. All entries will be considered for coloring book content. The winning picture will be used for the cover of the official Planet Aid Earth Day Coloring Book!
